

learn

(verb) gain or acquire knowledge of or skill in (something) by study, experience, or being taught.

play

(verb) engage in activity for enjoyment and recreation rather than a serious or practical purpose.

thrive

(verb) grow or develop well or vigorously; prosper; flourish.

Three words. Simple, yet crucial to the healthy development of a child.

Thank you to all of our loyal volunteers and donors who made a contribution to Shoes That Fit in 2016 - allowing kids to attend school with dignity and joy, prepared to learn, play and thrive.
